

## Mining and Financial News

BY REVIEW LEASED WIRE

NEW YORK, Aug. 29.—Stocks were under constant pressure today, the more ominous aspects of the railway labor dispute inducing further liquidation and professional pressure. Among the very few exceptions to the lower trend with mercantile marine preferred, Pacific Mail and some of the motor equipment, trading was irregular throughout with moderate activity. Closing hours saw a fresh attack on quoted values. The President's address to congress was issued at that time.

Weakness of a pronounced character was manifested by automobile shares from the outset, the decline being led by Studebaker, which fell 4-14 points before denial of new financing by the company helped to effect a partial recovery. Coppers were heavy. Munitions, equipments, sugar and various specialties of no distinctive class followed the sagging tendency shown by seasoned issues.

Leading rails yielded 1 to 1-1/2 points, activity in that group conversing about coals. New York Central and transcontinentals.

United States Steel received a point, with 4-1/2 for Bethlehem Steel. Total sales aggregated \$20,000,000 shares.

Bonds were lower in light and contracted operations.

Total sales, par value, amounted to \$2,390,000. U. S. coupon 4's were 3-4 cent lower on call, but advanced as much on actual transactions.

## CHICAGO GRAIN MARKET.

CHICAGO, Aug. 29.—Signs that European imports were not relying much on chances that Russian shipments might soon be finding an outlet through the Dardanelles, tended today to continue a decided rally in the wheat market here. Closing prices, although unsettled, were 2 5-8 to 3 1-2 net higher, with September at 1.43 1-2 and December at 1.47 to 1.47 1-2. Corn gained 7-8c to 1 1/4 @ 1 3-8 and oats 1 3-8 to 5-8c. Provisions wound up at the same as yesterday's finish to be higher. The wheat market showed considerable weakness at the outset, but a recovery soon began that developed later into an important general bulge. Reports of serious frost damage in Canada gave the first upward impulse to prices but fear of a wide-spread railroad strike continued for a while to check buyers, subsequently sharp gains were scored as a result of cable advices that even if the Dardanelles were immediately opened it would require much time for supplies from Russia to be available. Meanwhile Great Britain was said to be accepting bids from America with a good deal of freedom. Selling pressure by holders of wheat and by speculative shorts increased on the upturn and led to something of a reaction.

Corn swung upward with wheat. Oats derived their strength mainly from other cereals. Higher quotations on hogs gave an upward slant to provisions. It was said meats were being bought more freely by the south.

BOSTON, Aug. 29.—Outside of the pronounced weakness in Alaska Gold the market gave a fair account of itself. Calumet and Hecla was well bought all day, going up 8 points. There was some selling by traders but stocks were well taken. Would buy the coppers on little setbacks.

The New York list selling around one level all day. Market is dominated by the strike. We are in a dull market and this only a little reaction. If the strike is settled these stocks will go very much higher with a rush. Paine, Webber Co.

## FOR JUSTICE OF THE PEACE.

## BISBEE.

Edward G. Riley Republican Candidate for Justice of the Peace, Bisbee Judicial Precinct Number Two, has been a resident of Arizona for the past twenty four years. Prior to his sickness he followed the trade of painter and paper hanger but about nine years ago was stricken with paralysis since which time he has been unable to follow his chosen occupation, but has been dependent on any odd jobs obtainable in his unfortunate affliction. For two years, Mr. Riley served as Justice of the Peace in Jerome, Arizona, and this City is second only to Bisbee as a mining camp. Mr. Riley does not ask that you support him because he can no longer follow his trade but as he has lost the use of his physical strength to earn a livelihood and is thoroughly competent to do the duties of the office of Justice of the Peace and is always sober and can be relied upon. You will not make any mistake by voting for him.

You can also be assured that in case he is elected he will never do an injustice to any one but will always give all litigants before the Court a "square deal". He will not abuse and misuse his authority.

Mr. Riley has a family and has struggled the best he could during adversity. A vote for him for Justice of the Peace will be a vote for a "square deal".

A. D. MARKHAM.
